2023 Disruptive Innovation in Physical Therapist Education Virtual Summit: Curricular Bloat & Unwarranted Variability: Now is the Time for Curricular Reform

Reactive Platform Submission Information

Invitation: Participants of the 2023 Disruptive Innovation Summit and those who have reviewed all recorded content (both the keynote and panel discussions) are invited to submit a reactive platform in response to the experience. **A reactive platform provides an opportunity to react to the concepts discussed during the summit and share concrete ideas for implementation and collaboration based on the summit presentations and discussions.** In this vein, we encourage innovative ideas, concepts, and frameworks that have the potential to positively transform Physical Therapist education and practice by decreasing unwarranted variability and / or curricular bloat. Please clearly describe your proposed approach and methods, and if applicable, ideas for collaborative educational research in this area.

Format: Presenters will share their ideas using a **3-6 minute** zoom recording. The platform should relate to ideas presented and discussed at the summit and include the following elements:

Presenter name and affiliation(s)
Key Concept Addressing
Specific Idea(s) for Implementation or Research
Opportunities and Challenges
Summary and References

Submission Logistics:

- Submit the MP4 file by July 15, 2023 to: <https://docs.google.com/forms/d/1RjFgYF02-QIZa9B85XtdmRXlI0GfjgfrRoZZqYUyL4/edit?ts=6421d856>
- The Physical Therapy Learning Institute (PTLI) board members will select submissions for Education Innovator and Education Influencer Awards. Awardees will be sent certificates and have their names and presentations highlighted on the PTLI website.
